

YOUTH BASEBALL/SOFTBALL BAT RULES

BOYS BASEBALL

With our change to sanction with **Baseball Players Association**, the following rules will be in place:

The bat shall not exceed more than 2 3/4 inches in diameter at the thickest part and not more than 36 inches in length.

Additionally in the JUNIOR (Ages 13-15) DIVISION:

The bat shall meet the BBCOR .50 standard, not exceed more than 2 5/8 inches in diameter at the thickest part and shall not weigh numerically more than three (3) ounces less than the length of the bat. (Example: A 33 inch bat cannot be less than 30 ounces.)

The USABat stamped bats required for play last season are still legal and may be used.

GIRLS SLOWPITCH SOFTBALL

All approved bats must have the NSA 2012 stamp.

Questions? Ask your program supervisor or coach to clarify any concerns.
